

Aloha Parents,

We hope that you and your loved ones are staying safe and healthy during this time. Due to the school closure, Rainbow Art Studio has prepared our art program, which can be done at home.

We have put together a fun and exciting **Online Mini Art Camp**. This online mini art camp will be done via your computer or tablet at your home (a quick easy set up with the help of the parents) where kids can draw and paint. The detailed instructions on how-to is below and also posted on the Rainbow Art website (www.RainbowArtStudioHawaii.com).

Each enrollment includes an **Art Supply Kit** containing paints, a canvas, brushes, a palette, color pencils and more. The kids will be able to interact with our art teachers by asking questions and watching demonstrations. This art supply kit can be scheduled to be picked up from nearby locations, which will be announced once you register on the online mini art camp.

We are offering **online mini art camps with nine different dates/times** to fit into you and your child's schedule. Each online mini art camp lesson will be 1 hour and 30 minutes per day, for five days. See the online mini art camp flyer on our website for details. Please register early there are limited spaces available each class.

Please visit our website, text or call (808)-497-5718 for any questions.
