

# Join Us for After School Art Drawing & Painting

## Hahaione Elem School Rm# A104

Getting an earlier start in arts can make a real difference in the lives of children. With encouragement & guidance, we provide hands-on classes for all grades. We have designed a fun & educational program to exceed standard art education and to inspire every child to reach their creative potential. Our curriculum is varied to include still-life, landscaping, and 3D design. It teaches a student how to see art in a new way, offers basic understanding of how to draw and paint. Students will learn the fundamentals of art while experimenting with a variety of medium, including acrylics, pastels, & discovering the great artists work and techniques.
